

## 01 Tennessee

Is Ranked 51st in Voter Turnout

## 02 Hamilton County

There are currently, over 60,000 unregistered voters in Hamilton County

## 03 Voter Supression

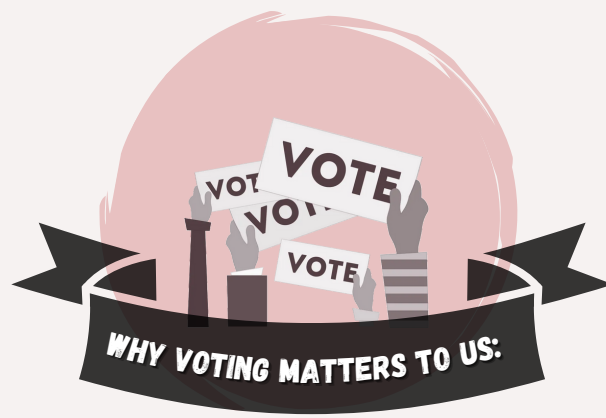

50% of our polling locations in Hamilton County were closed before the 2022 election

## 04 Transportation

Hamilton County lacks effective public transit to bring residents to local polling locations

**CALEB believes in local people having a public say in how our communities are funded, developed, and managed. Getting folks registered to vote, transportation to polls, and getting their voter rights restored are all an extension of our model and values through IVE (Integrated Voter Engagement).**

### 01 Voter Registration

CALEB invests time and money into going into our community and registering folks to vote.

### 02 Voter Restoration

Tennessee Denies Voting Rights to Over 470,000 Citizens, CALEB takes pride in working towards restoring voter rights to Chattanooga.

### 03 GOTV

When Elections roll around, whether its locally, statewide or federally, CALEB is there to remind you to vote!

### 04 Candidate Education

CALEB believes everyone should have the resources they need to be an INFORMED voter. During election seasons, we provide opportunities for Chattanooga to learn about who is on the ballot, and what they stand for.
